# KEY HIGHLIGHTS

**Networking for All** – Open to expats, locals, entrepreneurs, and professionals from diverse industries.

**Regular Monthly Events** – Sessions are held twice every month, providing consistent opportunities to network and grow.

**Casual, Productive Atmosphere** – Held in cafes, restaurants, and coworking spaces to foster organic connections.

**Free & Inclusive Events** – No entry fees; everyone is welcome to join and participate.

**Opportunities for Growth** – Build long-term partnerships, share ideas, and find collaborators for projects.

**Support for Local Businesses** – Sessions drive visibility and traffic to hosting venues, creating mutual benefits.

# OBJECTIVES OF THE SESSION

The goal is to connect to different people and personalities to know about them and exchange idea's, products, services with them.

## NETWORK

Meet professionals from diverse industries, exchange ideas, and build connections that lead to partnerships, referrals, and collaborative opportunities.

## CONNECT | COMMUNICATE

Engage in meaningful conversations, share your projects, and discover synergies with others to foster mutual growth and innovation.

## BUILD RELATIONSHIPS

Develop long-term professional and social relationships, creating trust and opportunities that extend beyond business interactions.

## COLLABORATE

Turn connections into actionable collaborations, working together on projects and initiatives for shared success and growth.

“Build a long term relationship and make potential partnerships.”

# WHO IS IT FOR?

Expats in Business is open to everyone, not just expats. Whether you're a local resident, someone who moved to the city from another area, or an international expat, this community is designed to bring people together.

**Inclusive Community** – Open to expats, locals, and anyone interested in networking.

**For All Backgrounds** – Whether you've lived here all your life or recently moved, you're welcome.

**Collaborative Environment** – Connect with expats to offer services, learn, or find new business opportunities.

**Networking for All** – Professionals, freelancers, and entrepreneurs from all sectors can benefit.

**Cross-Cultural Exchange** – Gain insights from diverse cultures and expand your market reach.

# COLLABORATING OPPORTUNITIES

Expats in Business offers collaboration opportunities for cafes, restaurants, coworking spaces, and other community-driven businesses. By hosting our events, businesses gain visibility across our platforms, attracting new clientele while fostering community engagement.

## Collaboration Types:

**Venue Hosts** – Cafes, restaurants, and workspaces that provide space for our sessions in exchange for promotion.

**Event Partners** – Businesses that offer products or services during events (e.g., catering, workshops).

**Contributors** – Individuals or businesses that lead sessions, share expertise, or provide resources.

**Sponsors** – Companies seeking to increase brand awareness through event sponsorship or resource contributions.
